Gao Yang

I am a curious, creative and passionate self-taught Javascript developer that enjoys creating beautiful interfaces and user experiences. I am currently looking for a role where I'm allowed to grow and mature my skills as a Front-end/UX engineer.

TECHNICAL SKILLS

Markup/Scripting Languages:

- HTML/HTML5
- CSS/CSS3
- Vanilla Javascript
- Javascript(ES6)

Frameworks/Libraries:

- Bootstrap 4
- Material UI
- React
- Redux
- jQuery
- Fetch/Axios

Version Control/Management:

- Git
- Github
- Visual Studio Code

Server Technology:

- REST API
- Node.js
- SQL
- Fire Base

EXPERIENCE

JavaScript/Front-End Development Student— *Barista*

Dec 2020 - Present

- FreeCodeCamp
- Udemy - Javascript and React/Redux courses

Starbucks Corporation, West Sacramento, CA — *Barista*

Aug 2017 - Present

- Operated the cash register, collected payments and provided accurate change.
- Worked closely with front-end staff to assist customers and maintain satisfaction levels.
- Used excellent customer service skills to engage customers in conversation and effectively determine needs and requirements.

The Bounce Spot, West Sacramento, CA — *Party Host*

October 2014 - July 2017

- Created and organized interactive activities with the children such as basketball, soccer, tug-of-war, etc.
- Supervised children 12 or younger in either of the two separate private rooms(The Play-Room and The Party Room), for booked parties.
- Served foods and drinks to children in the Party Room Interact and talked with parents about the expectations of their party and made sure that they are completely satisfied with the experience that their children have.
- Communicated and encouraged adherence to safety rules to prevent injuries and mishaps.
